## Description

Price Reduced + Motivated Sellers! Tucked away at the end of a quiet cul-de-sac, this stunning Richmond floor plan by Windsor Homes offers privacy, style, and space in one of Hampstead's most sought-after communities. With just over 2,500 sq. ft., this 5 bedroom, 3.5 bathroom home is designed for both comfortable living and effortless entertaining. A beautifully landscaped front yard, charming stone wainscoting, and a welcoming covered porch set the tone. Inside, you'll find coffered ceilings in the dining room, soaring vaulted ceilings, and durable LVP flooring throughout the main living areas. The heart of the home is the gourmet kitchen with granite countertops, an oversized island, stainless steel appliances, and a gas range perfect for the at-home chef. The open layout flows seamlessly into the living and dining areas, making hosting a breeze. The main-level primary suite offers a private retreat with a spa-like ensuite and spacious walk-in closet. Upstairs, four additional bedrooms provide flexible living space, with one easily serving as a media room, game room, or home office. Step outside to your back patio overlooking serene wetlands, with no neighbors behind or beside you an ideal setting for privacy and peaceful views. Community amenities include a pool, outdoor clubhouse, lake, picnic and grilling areas, scenic walking trails, sidewalks, and a planned multi-use path that will connect directly to the Surf City Bridge. Whether you're hosting gatherings, relaxing in your private backyard oasis, or enjoying everything this vibrant neighborhood has to offer, this home is a true lifestyle upgrade now at an even better value. Freshly Painted! For information about our preferred lender and the incentives you may qualify for, please ask your agent to review the agent comments for additional details
