Description

Step back in time with this captivating mid-century modern Florida ranch, hitting the market for the first time in over 50 years. Built in 1955 and lovingly maintained by only its second owner, this serene oasis sits on a peaceful, tucked-away street, offering rare tranquility just minutes from I-95 and the Golden Glades Exchange accessing Greater Miami. Sunlight pours through expansive windows, highlighting original architectural details and inviting you to create your own timeless retreat. New Hurricane impact windows, newer Roof, new privacy fence enclosing backyard, and off street parking for five cars + garage. This is your chance to own a slice of classic Florida charm, blending vintage allure with unbeatable modern convenience. Be quick and capture this extraordinary opportunity!
