Description

Modern Vibes Meet Vintage Soul in Bellevue! Ready to upgrade your lifestyle? This 4-bed, 2-bath home blends timeless character with serious space & flexibility-perfect for remote workers, creatives, and growing families. With 1,408 sf of charm and a rare 0.60-acre lot, you'll have room to breathe, build & play. Outdoor Goals: Dreaming of backyard BBQs, a veggie garden, or private pickleball matches? This property delivers. There's a pool, fenced yard for pets or kids, a massive garden shed, and room to add a garage. Parking for 6+ cars? Done. Kitchen That Works Hard: Oversized layout, new appliances, and tons of cabinet space-ideal for meal prep, brunch hosting, or filming your next cooking reel. Open living and dining areas are made for game nights and cozy Netflix binges. Upstairs: 3 bedrooms, full bath, and a finished attic for your office, yoga studio, or storage. Full basement has space for storage, workshop or gaming. Recent upgrades include new roof & freshly paved driveways.
