Description

ARCHITECTURAL ELEGANCE WITH ZEN GARDEN AND GOLF COURSE VIEW

Tucked in a quiet cul-de-sac with distant sea, golf course, and dam views, this architectural home blends refined design with relaxed luxury. A cascading entrance leads to a tranquil Zen courtyard, setting the tone for the calm, grounded living within. The layout flows seamlessly from elegant living spaces to private bedroom suites, designed to maximize natural light and indoor-outdoor connection. The upper level is an entertainer's delight, featuring a covered patio with A-frame detail, elevated views, and effortless flow between the formal lounge, dining area, and bar. Rich Panga Panga wood flooring runs throughout, complemented by hand-selected travertine tabletops and statement chandeliers by Morgan and Associates. At the heart of the home, the open-plan kitchen and scullery are positioned for easy hosting, flowing into a relaxed living zone with a fireplace lounge and stacking doors that open onto the covered patio. A dedicated study offers direct access to the upper balcony, making it ideal for a work-from-home setup with a view. The spiral staircase leads to a second lounge below, connecting all four en-suite bedrooms, each thoughtfully positioned for privacy and garden access. Outside, a level lawn wraps around a sparkling plunge pool and raised deck overlooking the golf course's 4th green and tranquil dam. Practicality meets style with direct garage access, golf cart parking, a tucked-away wine cellar beneath the garage, and a built-in braai beside the courtyard, offering multiple zones for leisure and retreat. This home delivers a sophisticated lifestyle immersed in nature, within one of Zimbali's most desirable locations.
