Description

Great home for buyer who needs a huge oversized garage, car storage/workshop space! Ideally located with easy access to every part of Metro area including the foothills. The home features an open living area with fireplace; kitchen with slider leading to a partially covered patio; 3 bedrooms upstairs; 1 bedroom downstairs. Downstairs includes a full bath; extra large family room with newer LG TV; and two bright office/craft rooms. Private, tiered backyard - perfect for garden areas. Inside the large garage is a refrigerator; portable air conditioning unit; workbench; and plenty of storage shelving. Don't miss it!
