## Description

An attractive countryside property with private swimming pool, a short drive from a large sandy beach. Set in a quiet location and surrounded almost entirely by olive groves, this large home is currently used as a holiday let during the summer months but has all the requirements to be a comfortable year round home. A driveway leads up to the property where there is parking next to the house. Steps leads up to the ground floor which boasts a spacious and bright open plan room. The sitting room with fireplace is to one side, with balcony doors leading out to the terrace overlooking the views. On the other side, a lovely archway leads into the dining and kitchen area. There is also a guest WC on this level. Upstairs there are four bedrooms and two bathrooms. Two of the bedrooms have access to balconies at the front looking out over the pool area and the lovely views beyond. The pool terrace is a few steps down from the driveway and is completely private, complete with both the main pool and a smaller children's pool. The picturesque beach of Agios Georgios Pagon is just a short drive away (10 mins), as are the other beaches of this area.
