Description

Beausoleil - New build. Top floor 4 bedroom apartment, rooftop terrace with sea view - Beausoleil : At its creation in 1904, there was some hesitation about naming the town Monte-Carlo Supérieur, Beauséjour, or Mont-Fleuri, but ultimately, its sunny character made Beausoleil the obvious choice for its name. Situated between Nice and the Italian border, in the most upscale part of the Côte d'Azur, Beausoleil epitomizes the excellence of a coveted lifestyle at the gates of Monaco. The apartment is located on the top floor with a private rooftop terrace with magnificent sea views. It includes : an entrance, a living room with an adjoining balcony, a kitchen, four bedrooms (3 with en-suite shower rooms), one bathroom, three toilets, and plenty of storage space. All rooms have access to balcony. Access to the rooftop terrace by a private staircase located on the balcony. It also features an underground garage for 2 cars. Contemporary and luxurious amenities. The project was developed by a French developer of international renown. Completion 3rd Q 2027
