Description

Welcome to Pearson Farms, one of Apex's most sought after neighborhoods and the home that checks every box on your wish list! From the moment you arrive at this peaceful, private corner lot, you'll appreciate the lush landscaping and a perfectly manicured lawn! Stepping through the leaded glass door into the foyer you're greeted by a transitional floor plan, rich hardwood floors and you notice the fresh neutral paint. You're immediately impressed by how meticulously maintained this pet-free home is and that every room has been beautifully and tastefully updated by the original owners. Gentle daylight filters through the upgraded windows into the cozy yet spacious family room, breakfast room and kitchen. The kitchen is beautifully updated with granite countertops and stainless steel appliances. All of the spacious bedrooms are upstairs, the primary suite boasts a tray ceiling, the remodeled primary bath is a pure retreat! The frameless glass shower, newer cabinets and sitting area are accompanied by a huge walk in closet that will meet all of your fashion needs! 3 additional bedrooms and a bonus room complete the second floor. Don't miss the unfinished walk up attic! You can access it through the bonus room! Venturing into the private back yard, you'll find a gorgeous deck and patio plus plenty of lawn space to play or relax. If you do to ever decide to leave this completely stunning home, you are within minutes of walking trails, the community pool, shopping, dining and freeway access. We can't wait to see which family will be lucky enough to make memories here in the future - please reach out for a showing!
