Description

Welcome to this tastefully updated single-level condo in the Mid-Century style Oakland Towers, ideally located in the heart of Pasadena. A charming lobby leads to the entrance of the residence, where double-doors open to the inviting light-filled entry. The spacious living room and adjoining dining area feature recessed lighting and offer serene tree-top views from brand-new dual-pane windows and sliding glass doors throughout the unit. The living room opens to a welcoming balcony; the perfect space to gather with friends or enjoy a cup of coffee. The kitchen is full of charm, with designer tile, butcher block countertops, new stainless steel appliances, and ample cabinet space. Down the hall, the spacious primary suite has a great layout and includes an office nook. It also features a large closet with built-in organizers and a beautifully updated en-suite bathroom. A good sized second bedroom also opens to the balcony through sliding glass doors. There is a full bathroom off the main hallway, and a separate in-unit laundry area with a combination washer/dryer and sink. Additional highlights include a storage area for the unit and a pool for the complex. Enjoy the best that Pasadena has to offer. The unit is within close proximity to lots of shopping and dining (including grocery stores such as Erewhon and Trader Joe's) as well as the vibrant Pasadena Playhouse District. Welcome home!
