## Description

Experience exceptional living in this 4,700+ sq. ft. custom-built West Cary residence, thoughtfully designed for multi-generational lifestyles. With six bedrooms, five and a half baths, and three finished levels, the home offers both privacy and connection for large or extended households. The main level features a private guest suite with en suite bath, while the finished basement impresses with 12-foot ceilings, multiple living areas, abundant storage, and direct walk-out access. The chef's kitchen blends style and function with a gas cooktop and vented hood, built-in wall oven and microwave, pot filler, cast-iron farmhouse sink, and a full butler's pantry with herringbone tile. Energy-efficient MI windows, custom Bali blinds, and deeper window frames add comfort and elegance. A radon mitigation system, natural gas water heater, garage EV charger, and utility sink provide everyday convenience. Enjoy serene wooded views from two rear decks, including a screened porch, or bask in the sunrooms morning light. Entertain effortlessly with a gas line for your grill, a natural gas fireplace, and recent updates including a freshly stained deck, new kitchen lighting, and fresh interior paint. Located minutes from top-rated schools, the Northwest Cary YMCA, parks, and greenways, this home offers luxury, flexibility, and a premier address in one of the areas most desirable gated communities.
