## Description

Welcome to your dream home in Bequette Farms Phase 2! Built just 3 years ago by Anderson, this 5 bed, 3.5 bath beauty combines style, comfort, and convenience. The open, airy floor plan is perfect for gatherings, while the split design offers privacy. The 5th bedroom is darkened for a cozy media room—movie nights, anyone? Outside, relax by the outdoor fireplace on your covered patio, garden in your own space, or enjoy the covered picnic area. Refrigerator, washer, and dryer all convey, making this home truly move-in ready! Neighborhood playset is right across the street, with plans for an exciting expansion. All this just minutes from Bentonville's best—13 min to the new Walmart Home Office, 10 min to downtown, 7 min to Coler Mountain Bike Preserve, and 14 min to Crystal Bridges.
