Description

This charming bungalow is located in the heart of Avondale on an oversized double lot. It's nestled under a canopy of mature trees and is neighbored by Little Fishweir Creek. This unique bungalow offers 3 bedrooms and 1 bath, along with hardwood floors, newer windows, tankless water heater, HVAC, stainless steel appliances, granite countertops, and indoor laundry. There's a brand new deck right off the kitchen, perfect for enjoying early morning coffee or evening unwinds with the sounds of the two lovely owls that have made their home in the trees. The bedrooms are located in the back, offering a great view of the foliage. There's plenty of space for a pool, gardening, RV or boat parking, and/or expansion. The long driveway leads to a detached garage or craft room. The location is ideal, with walking distance to the shops of Avondale, Boone Park, Fishweir Elementary, and much more. It also provides easy access to I-295 and I-95, and is in close proximity to Downtown and NASJAX.
