Description

Beautiful West Islip Colonial on a huge double lot with park-like grounds. The first floor features a very large master bedroom, hardwood floors throughout, and a newly updated kitchen with granite countertops and stainless steel appliances. Upstairs has its own private entrance with a large family room, spacious bedrooms, and a full bathroom. The backyard is an entertainer's dream with an in-ground pool, patio, deck off the kitchen, and plenty of yard space for activities.
