Description

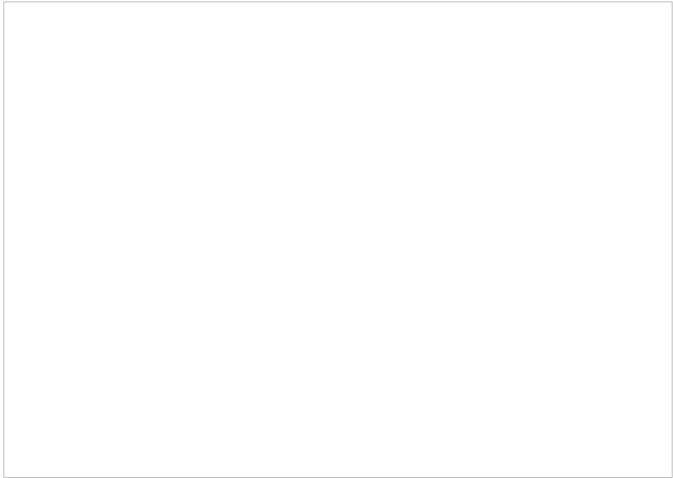

Harbour Island Home - Harbour Island - Dunmore Town, Harbour Island
Jambalaya is a traditional Bahamian-style home with an eclectic coastal flair. Featuring a total of 6 bedrooms and 6 bathrooms, this luxury home is tucked away in a lushly landscaped garden facing Harbour Islands world-famous Pink Sand Beach. This 4,000 sq.ft. home features incredible views from the moment you enter the large covered entry porch. The space flows beautifully into a professionally designed living room, dining area, and well equipped open plan kitchen. The main floor features 2 bedrooms and 2 bathrooms and an outdoor dining room. A solid Brazilian Hardwood staircase leads upstairs to a large master suite which boasts unobstructed ocean views, a spacious bathroom with a whirlpool tub, shower, and two huge walk-in closets and laundry area. An adjoining bedroom with its own bathroom which can easily be converted to a workout room or office. Both bedrooms open onto the expansive verandah overlooking the beach and grounds of the Pink Sands Hotel. The lower level exudes elegance with an outdoor living area & pool among swaying palms and green foliage. Harbour Island is often described as the undiscovered "Nantucket" of the Bahamas with an abundance of palm trees, tropical flowers and 19th-century buildings painted in pastel colors with charming white picket fences. Harbour Island is accessed from chartered private or commercial flights from Miami, Fort Lauderdale, Palm Beach or Nassau to North Eleuthera Airport with a five to seven-minute water taxi ride to Harbour Island.
