## Description

Traditional meets modern in this stunningly remodeled 5 bedroom, 2.5 bath home, including a detached 2 car garage & apartment. Centrally located, this home is just minutes to schools, shopping & more. Upon entry, you are greeted by modern touches throughout the thoughtfully designed floorplan. The living area features an electric fireplace for ambiance & is overly spacious with tall ceilings & loads of natural light. The dining space is perfect for entertaining with ample room to accommodate an oversized dining table, window bench seating & a built-in wet bar with wine rack & sink. The open kitchen is a chef's DREAM with modern cabinetry, an oversized pantry space, high-end appliances, gorgeous gold fixtures & Taj Mahal Quartzite counters. Additionally, downstairs you have a half bath and office or flex space with side entry door. Upstairs, you'll find an inviting Primary Suite with en suite featuring a walk in shower, freestanding bathtub & dual vanities. Additionally, you have 4 guest bedrooms, a full modern bath with shower & laundry space. Outdoors, you have a detached 2 car garage with workshop space & apartment, giving a separate space to accommodate guests or for rental income. You won't want to miss this absolute GEM of a home!
