## Description

A large family home with five spacious bedrooms, two bathrooms and a separate studio, on the outskirts of the popular village of Karousades, a short drive from the beaches of the North coastline. Situated on the road leading from Karousades to Kavalouri, this much loved family home offers good sized bedrooms, lovely sea views and private parking. A stone wall surrounds the front courtyard, with a gate leading into the property grounds. A side road leads down to the parking area which is at the bottom of the plot belonging to the house. The courtyard in front of the house has a bbq area to one side, and a covered veranda with shaded seating. The front door leads into a very large, open plan room which has the sitting and dining room, with a fully equipped kitchen to one side. A corner fireplace offers extra comfort during the winter months. On this level there are two double bedrooms and a shower room. The bedrooms both have access to a long balcony with lovely views of the countryside and the sea. A wooden staircase leads to the upper level where there is a spacious and bright landing area which is used as a second sitting room/TV room. There are a further three double bedrooms and a shower room on this floor. One of the bedroom has a access to a balcony with sea views. Below the house there is a small studio which is currently set up as a bedroom with small shower room and laundry room. The main house has central heating installed throughout, as well as a large air condition unit on the landing upstairs. There is a terraced garden behind the house which leads to the parking area at the bottom. There is plenty of room here to add a swimming pool and landscape the surrounding area to create a pretty outdoor lounging space. Karousades is a vibrant, year round village with an active community. The village is a short drive from the resorts of Roda and Sidari, and all the beautiful beaches of both the north and west coast.
