Description

Welcome to this charming three-level home, ideally located directly across from P.S. 134. This bright, airy residence offers an open-concept living, dining, and kitchen area, perfect for everyday living and entertaining. The kitchen seamlessly connects to the living and dining spaces, creating an inviting atmosphere. The main level also features a full bathroom and a generously sized bedroom, offering convenient one-level living for guests or multi-generational families. The second floor includes two spacious bedrooms filled with natural light and an office area, ideal for working from home or creative projects. A second full bathroom completes this level. The versatile lower level has a separate front entrance and is currently being utilized as a gym and home office with a half bath. Located near the #2 and #5 subway lines, you can reach Manhattan in under 10 minutes perfect for city commuters. Walking distance to The Point and local parks and shopping make this home a true gem!
