Description

Remote mountain refuge for sale with exceptional views near the 3 Valleys ski area (St Martin de Belleville) - Perched above the village of Villarenger (2km from St Martin de Belleville), this sale consists of 2 adjoined properties within the small collection of buildings called La Gittaz. The properties are both in a rudimentary habitable state, but could be combined and modernized to create an amazing bolt hole, close to the ski area. Accessible by a 4x4 track in the months outside the winter season, this hamlet can be reached on foot/ski touring when there is snow on the ground - this takes in the region of 45 minutes from Villarenger.
