## Description

Truly a One-of-a-Kind Masterpiece perfectly situated at the end of a private, wooded cul-de-sac overlooking Riley Creek, this impeccable 5-bedroom, 5-bathroom custom-built home rests on 0.33 serene acres, offering peace, privacy, and natural beauty in every direction. From the moment you step inside, you'll be captivated by the inspiring design, high-end finishes, and countless upgrades that make this home absolutely exceptional with 5,802 square feet of extraordinary living space. Enjoy extensive updates including: newer roof with copper gutters & rain chains, added exterior water mitigation system, Control 4 Movie Theatre with high-definition projector and speakers (with AV system throughout the home), updated luxury vinyl flooring on upper & lower levels, remodeled primary bedroom & bathroom, new carpet (2023), epoxy-coated sub-garage floor, fresh exterior & interior paint, upgraded sprinkler system, new washer & dryer, customized closets, updated light fixtures, exterior deck staining, added lower-level screen porch beneath the sunroom, new attic insulation, new toilet on main level, new upper-level furnace & A/C condenser (2025), new lower-level A/C condenser (2023), and recently stained garage doors (2025). Step inside to gleaming hardwood floors, soaring ceilings, and walls of windows that flood the home with natural light. The inviting main level features a stunning open floor plan, formal and informal dining, a main-level office with custom built-ins, a serene sunroom, and a gourmet kitchen with cozy fireplace overlooking your tranquil backyard oasis. The living room also showcases a beautiful fireplace, creating warm and inviting spaces throughout. Upstairs, retreat to your extravagant primary suite-a spacious haven complete with a gigantic walk-in closet with laundry and a luxurious private bathroom. The walkout lower level is perfect for entertaining with a wet bar, pool table, and family room featuring a projector-the ultimate place for movie nights or game day! The newly added screened in porch on this level offers yet another relaxing retreat surrounded by nature. Outdoors, you'll love the lush landscaping, inviting front porch, expansive deck, and unbeatable curb appeal. This home was designed for both entertaining and everyday living-inside and out! All of this in a fabulous location close to parks, trails, shopping, dining, top-rated schools, and more. A rare find: 3-car street-side garage plus 4-car sub-garage, ideal for auto enthusiasts! This home is more than just a place to live-it's a dream come true. A must-see experience!
