## Description

Stunning 5-bedroom, 4-bathroom home perfectly nestled on 0.61 acres in a highly sought-after Eden Prairie neighborhood. Offering 3,518 square feet of beautifully designed living space, this home has an incredible flow with no detail overlooked. Step inside to find updates galore, including new carpet throughout (2025), new luxury vinyl flooring on the main level (2023), freshly painted white trim throughout both main and upper floors, a new roof (2020), new garage door opener (2024), and newer dryer (2022). The maintenance-free stucco exterior was also painted in 2020 for a fresh, modern look. The main level features a cozy fireplace in the living room, a bright open-concept kitchen with stainless steel appliances, granite and quartz counters, a large center island with abundant storage, and an inviting eat-in area. A formal dining room just off the kitchen is currently staged as a flex/family room but can easily be converted back. Enjoy serene living with a sun-filled four-season room, spacious deck, and charming front patio-perfect places to relax and unwind. The massive backyard is a private oasis with mature trees, open yard space, and seasonal beauty: apple and maple trees in the fall, a Japanese flowering cherry in the spring, and rolling hills for winter sledding fun. Upstairs, you'll find 4 spacious bedrooms filled with natural light, including a luxurious primary suite. The walk-out lower level offers incredible flexibility with a cozy family room, an additional bedroom currently used as an exercise room, and a bath-ideal for guests. Custom built-ins, and bright airy spaces make this home both warm and inviting. This remarkable home is perfect for entertaining inside and out, while also offering everyday comfort. Located in an awesome, friendly neighborhood with community gatherings, just steps from Homeward Hills and Franlo Parks with pickleball courts and scenic trails. Close to award-winning Eden Prairie schools, Olympic Hills Golf Club, shopping, dining, and more!
