Description

Mountainside escape! With over 4,286 square feet of living space including four bedrooms and three and a half bathrooms. This home features a spacious and inviting entryway that leads into a layout with vaulted ceilings, allowing for abundant natural light throughout the interior. The primary bedroom showcases a serene ambiance with scenic mountain views, and a spacious private retreat with fireplace. The kitchen boasts ample cabinetry and granite countertops, complementing the overall thoughtful design. Gourmet kitchen with six burner stove and grill, a pot filler and mirrored back splash. Heading outside, the home's lush landscaping creates a tropical oasis, complete with an outdoor patio and outdoor bar area with mood lighting, ideal for entertaining or relaxation. The gated community adds an extra layer of security, while the spacious driveway provides ample parking with a three-car garage. Low HOA fees. The backyard blends the indoors and outdoors seamlessly. Ultimately, this home presents an ideal setting for those seeking a balance of comfort, style and connection to the surrounding natural beauty of the mountains. Close to Old Town La Quinta, La Quinta Resort and so much more.
