Description

In the heart of Eden Prairie's coveted Village Knolls neighborhood, this updated 5-bedroom, 4-bath home offers more than 4,000 square feet of living space designed for both connection and retreat. Set on a beautifully landscaped 0.31-acre lot, it combines warmth, sophistication, and everyday convenience in a setting you'll be proud to call home. From the moment you step inside, light pours into the vaulted great room, where tall windows frame views of the outdoors and a glowing fireplace creates a cozy focal point. The open design encourages gathering, while a quiet office tucked just off the main living space provides the perfect escape for work or reflection. The private owner's suite completes the main level with spa-inspired luxury and direct access to your own outdoor soaking tub-an intimate retreat for peaceful evenings under the stars. At the center of the home, the kitchen blends style and function with crisp quartz countertops, a sleek backsplash, and stainless appliances including a built-in oven, cooktop, and modern range hood. Its open layout flows into the informal dining area and out onto a maintenance-free Trex deck, making it easy to transition from family dinners to effortless entertaining. Upstairs, two bedrooms share a convenient Jack-and-Jill bath, ideal for family or guests. The walk-out lower level expands your options with a spacious family room, two additional bedrooms, a full bath, a fitness space, and a versatile bonus room-plenty of space for hobbies, play, or relaxation. Details throughout the home are designed to make life more comfortable: two fireplaces add warmth and charm, dual-zone HVAC and whole-home air filtration ensure year-round comfort, while a three-car garage, central vacuum hookup, and main-level laundry bring everyday ease. Life in Village Knolls offers the best of community and convenience. Mature landscaping and quiet streets create a peaceful setting, while nearby schools, parks, trails, restaurants, and shopping make it easy to enjoy everything Eden Prairie has to offer. This is more than a house-it's a place to live beautifully, every day.
