Description

Discover this turn-key coastal retreat tucked away in a tranquil, resort-like community that feels worlds away, yet offers quick and easy access to Ocean Beach, Point Loma, major freeways, Barnes Tennis Center, shopping, airport, and Old Town Train Station. Step inside to find soaring ceilings with stunning arched windows and floating stairs, filling the home with an abundance of natural light. The first-floor bedroom and full bath create an ideal layout for guests, roommates, multigenerational living, or private home office. The fully renovated kitchen is thoughtfully designed with style and functionality in mind, while the gas fireplace, brand-new paint throughout, dual-pane windows, newer vinyl flooring, and water purification system add to the move-in-ready appeal. No carpet means fresh, modern feel with low maintenance that is ideal for beach living. Enjoy the outdoors on your huge private back patio, or take advantage of the community's serene setting with tree-lined streets, lush landscaping, meandering walkways, and real grass—perfect for pets! Additional features include huge closets with lots of storage, 2 dedicated parking spots, and an inviting heated pool with BBQs and plenty of space for all-day fun in the sun. This home qualifies for Bank of America's grant program—inquire for details.
