Description

Welcome to this stunning and oversized center hall colonial located in the peaceful Fort Lee neighborhood less than 2 miles from the George Washington Bridge. With approximately 4,310sf of beautifully designed living space, this home offers timeless architectural charm blended with modern comfort - featuring soaring ceilings, exquisite trim work, and a unique, flowing layout rarely found in today's homes. Step into the sun-drenched main level, where a gracious open floor plan effortlessly connects a chef's kitchen"complete with a center island and breakfast area"to the inviting living room with fireplace, an oversized formal dining room, and a spacious family room, perfect for entertaining or everyday living. Upstairs, retreat to the primary suite, featuring a cozy fireplace, generous walk-in closet, and a spa-like en-suite bathroom with a jacuzzi tub and steam shower. The second floor also offers a private en-suite bedroom and two additional spacious bedrooms, both with ample closets and private balconies for added charm. Large windows throughout the home flood the interiors with natural light, highlighting the scale and flow of each room. The lower level is ideal for multi-generational living or guests, featuring a fully equipped guest suite with a living area, summer kitchen, bedroom, office space, full bath, and glass doors that open directly to the backyard"perfect for a private retreat or extended stays. Owner has NJ real estate license.
