Description

Charming two-story tucked into pretty wooded lot in highly-regarded Autumn Woods neighborhood. Your spacious lot features a large deck and patio, plus lots of playable space and a helpful shed at the back of the lot. Inside you'll find a large living room with hardwood floors which flows nicely into your dining room (presently used as a home office). The kitchen features stainless steel appliances and lovely backyard views. Eat dinner in the informal dining area just off the kitchen and adjacent to the deck access. You'll want to enjoy those Fall days and evenings in this yard! Onto the very spacious and lovely family room with fireplace - just a great space to unwind and watch your favorite show or game. Main floor also features mudroom and laundry room with utility sink. Upstairs you have everything you need with a large primary suite, including private full bathroom and closet. Three junior bedrooms upstairs plus a full junior bathroom with two sinks and shower & stool separate. Lower level is a great play area, gym, amusement room and more! Also note the wonderful hobby room and extra storage spaces. Neighborhood features two large play parks with open fields plus fun play structures. You are less than 2 miles to Target, Cub, Home Depot and restaurants. Lovely walking trails throughout neighborhood and area.
