Description

This three-bedroom, three-bathroom house sits on approximately 0.2 acres of land and offers around 2,100 square feet of living space. The primary bedroom features ample closet space and an en-suite spa like bathroom. The two additional bedrooms are can accommodate a variety of furniture configurations. The three-bathroom layout provides convenience and privacy. The hall bath offers double sinks and a generous size. The open-concept floor plan creates a seamless flow between the living areas, allowing for flexible usage of the space. The living room with its fireplace offers a comfortable setting for relaxation or entertaining. The kitchen is equipped with essential appliances and ample counter space, catering to the needs of the household. It flows seamlessly into the dining area and generously sized family room. The property's lot size of approximately 0.2 acres offers the potential for outdoor enjoyment, whether it's landscaping, gardening, or recreational activities. The surrounding area will provide access to community amenities, including the beach, the marina, and sports fields. This home presents an opportunity for individuals or households seeking a well-appointed living space with multiple bedrooms and bathrooms, as well as the flexibility to personalize the property to suit their unique preferences and needs.
