Description

Upper Glendale: Welcome home to this highly sought semi-detached, 55-foot-long 2-family property on a large 27x100 lot featuring 2 full bathrooms throughout with a desirable 2-car garage and driveway in the heart of Upper Glendale, Queens! This two-family home features 2 spacious apartments with hardwood oak floors throughout - the first-floor apartment features a bright and airy living room formal dining room, kitchen, 2 box bedrooms, and full bathroom, while the second story features a living room, formal dining room, eat-in kitchen, 3 box bedrooms (not "railroad"), and full bath. This large property also features a full basement providing a blank-slate for a possible recreation space, playroom or "man cave", hardwood floors throughout, driveway, extremely rare 2-car garage, and nice private fenced-in yard. This home is ideally located, with easy access to major highways, public transportation (local Q55 bus line), shopping centers, parks, and is zoned for highly regarded PS/IS 113 and Queens Metropolitan High School. Embrace the vibrant Glendale community with nearby shopping, dining, and entertainment options at Atlas Park, local favorites such as Finback Brewery and Northside Bakery, the sprawling 543-acre Forest Park for hiking trails and additional playgrounds, and close to the historic Forest Hills Stadium. Vacant on title, this home provides a perfect opportunity for buyers to live in or for investment potential, such as a 1031 exchange.
