Description

Discover modern luxury in this 4,150 sq ft home on nearly an acre in Maple Valley, WA. Featuring 6 bedrooms, an office, and 2.5 baths, this spacious home blends style and function. Enjoy all-new flooring, heated dining room floors, and natural light from skylights and ceiling windows. The modern kitchen has a new stove, and living areas offer two cozy fireplaces. Two bedrooms have walk-in closets, plus there are two laundry chutes, one in the upstairs bath and one in the primary suite. Stay comfortable with a new central A/C, a Mitsubishi split heat pump in one room, and a Navien tankless water heater. A 3-car garage with upper storage, a generator, and security cameras around the house. Close to top schools and amenities.
