## Description

Welcome to this corner lot home located in Munhall with a new, double-wide driveway! Nice curb appeal leads inside to a spacious living room with original hardwood floors. Off the formal dining room is a beautifully updated kitchen with tile floors, granite counters with a mini island, and a brand new fridge. Step in to the 2021 addition with heated floors and first floor laundry! There is also a nicely designed full bathroom here as well. The back sunroom can be used as a family room or even a 4th bedroom, with wonderful natural lighting. The trex deck was custom built with steps leading down to the tapletop flat backyard, which is also fenced in. The upper level has 3 bedrooms (one with a laundry shoot!), and a second full bathroom. The basement features newer HVAC, access to the one car garage, storage room, and the classic Pittsburgh potty. With updates from top to bottom, and a sizable new addition, there's nothing left to do but move right in to this lovingly maintained home.
