Description

Welcome to this artistic, elegant, and sophisticated home! Enter through the hand-crafted leaded glass door into a warm, spacious interior. A sweeping staircase with custom wrought-iron railings leads to the second floor. The formal living room with plush carpeting flows into the dining room, highlighted by a sparkling crystal chandelier beneath a painted sky ceiling. The gourmet kitchen features rare blue-gray granite counters, custom cabinetry, and a striking copper centerpiece, opening to a bright informal dining area. The step-down family room includes a wet bar and hand-painted vines for added charm. Outside, a private backyard oasis awaits with a mosaic-tiled pool, hot tub, built-in grill with beer tap, and outdoor fireplace-perfect for both entertaining and relaxation. Located near the top of Blackhawk, this home offers access to top-rated schools, parks, golf, shopping, and more. The seller is also willing to leave the luxury designer furniture and dcor, with only a few exceptions, making this home move-in ready and effortlessly glamorous. Heating/Cooling replaced in 2023.
