Description

This condominium features approximately 1,076 square feet of living space and offers two bedrooms and two bathrooms. The property boasts a water view location, providing scenic waterfront and expansive city views. The living spaces are designed with an emphasis on spaciousness, featuring abundant natural light that filters through large windows. The primary bedroom and additional bedroom provide ample room for comfortable living. The bathrooms are spacious and equipped with modern fixtures. The kitchen features modern appliances and ample cabinetry for storage. Hardwood flooring throughout the main area. This complex also offers a variety of community amenities, including a spacious gym, pool, sauna, and covered parking. The in-unit laundry and private balcony further enhance the convenience and livability of this property. This condominium is situated in a desirable convenient location.
