Description

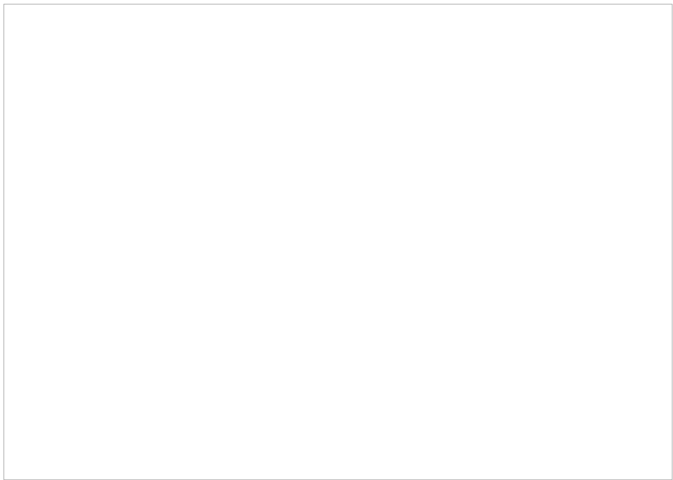

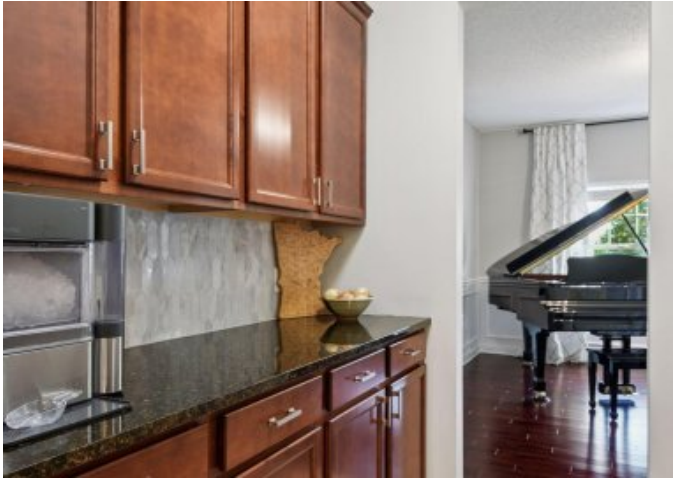

My goodness! Everything you need nestled on a gorgeous wooded lot with playable spaces and park down the street. Notice the darling curb appeal of this extensively updated home - inside and out - as you enjoy the landscaping and front porch (great for morning coffee or watching kids play in the neighborhood). Brand new siding, garage doors and roof give this home a beautiful, modernized look. Gracious entryway welcomes your guests with soaring ceilings and hardwood floors. Notice the convenient and quiet main floor office with built-in and French doors. Enjoy a gorgeous dining room with mahogany floors (presently a music room) which flows through into a helpful butler's pantry. Your kitchen is updated with modern dark stainless-steel appliances, new backsplash and amazing views. Your informal dining has easy access to your stunning and spacious Brazilian hardwood deck. The family room is anchored by a fireplace with updated stone, cypress mantle and built-ins - what a great place to relax after dinner! Main floor is rounded out with powder room and mudroom featuring laundry and helpful lockers. Upstairs you'll find a very spacious primary bedroom suite - so open it has room for a separate TV-watching area to decompress. Primary bedroom also features walk-in closet and refreshed primary bathroom (new faucets, lights, etc.). Three junior bedrooms upstairs make life so convenient - if you don't need them all, use one as a gym or second office. Junior bathroom is also refreshed. Your finished walk-out LL has so much additional space - with another bedroom (notice the Murphy bed), media room (with seating included), great bathroom and huge amusement room with electric fireplace and walk-up bar. Your backyard is simply beautiful - a place to play with gorgeous, protected views, and wildlife. Don't miss the fully insulated and organized garage that is EV plug-ready. Your neighborhood is a friendly enclave with a huge, fun park just down the street. Easy access to downtown Chaska, Target, Costco, Cub Foods, restaurants and more. Fun community events year-round in Chaska. Great schools and school choice.
