Whale Point Estates Eleuthera

£140,000
(\$175,000)

Description

Eleuthera Ocean View Lot For Sale - Eleuthera - Ocean View Lot in Eleuthera For Sale This unique property in Whale Point Estates, Eleuthera offers 208 feet of road frontage, excellent elevation, and sweeping panoramic views of both the Atlantic Ocean and Bottom Harbour. From this vantage point, you'll enjoy some of the island's most breathtaking scenery, with cooling breezes and endless horizons. Just a 10-minute boat ride to Harbour Island and only 25 minutes from North Eleuthera International Airport, the location balances seclusion with convenience. The lot is also just north of Gregory Town and the Glass Window Bridge, giving you quick access to local culture, dining, and iconic landmarks. Whale Point Estates is known for its private beaches and tranquil surroundings, making it the perfect setting for your vacation retreat, retirement home or investment property. With electricity available and an established subdivision community, you can start creating your island escape right away. And with demand for Eleuthera real estate continuing to grow, this property is not only a lifestyle purchase - it's a solid long-term investment.
