Description

Chautauqua-on-the-rim. Unique and special Spanish style home. Once through the gates and in the courtyard entry you are immediately transported emotionally to a different place... Mexico, Spain or Tulum perhaps. Warm and welcoming, gorgeous, restored and remodeled. Cathedral beamed ceilings and French doors set the stage for that perfect indoor/outdoor flow from the front courtyard to the back patios. Romantic primary suite with an office, dressing area and the ideal upstairs patio with views across Rivas Canyon to the ocean. 2 beds down with a beautiful wood paneled family room. Newly remodeled chefs kitchen, fabulous flow for entertaining, very flexible floor plan.. Light, bright walls for artwork, all of the windows look out on incredible vistas. Private, special, all of this and a guest house. This house is resilient and withstood everything nature confronted it with and is a testament to the strength and the longevity of a true Spanish home built in 1930.
