Description

Experience mountain luxury at its finest in this stunning post-and-beam home at Windham Mountain Club's exclusive Village East community just a little over two hours from New York City. Designed for those who love the outdoors but don't want to sacrifice comfort, this 6-bedroom, 3.5-bath retreat spans more than 4,100 sq ft and combines timeless craftsmanship with breathtaking views of the Catskills. Step inside to a dramatic two-story great room where walls of windows frame the mountain landscape and a floor-to-ceiling stone fireplace adds cozy warmth after a day on the slopes. Exposed beams, a vaulted pine ceiling, cherry paneling, and a coffered dining room ceiling create a sense of elegance and calm that's both rustic and refined. The chef's kitchen is designed for gathering featuring granite countertops, a Viking stainless-steel appliance suite, and a large center island perfect for après-ski evenings with friends and family. Multiple dining areas flow seamlessly into the living space, creating a warm, open feel for entertaining or quiet moments by the fire. Each bedroom feels like its own private sanctuary. The first-floor primary suite includes a tiled walk-in shower and classic clawfoot tub, while the upstairs suite offers a private balcony, sitting area, and jetted tub overlooking a peaceful stream the perfect place to unwind with a view. The walk-out lower level adds even more living space, with a family room, game room, guest bedroom, and full bath. Outside, a stone patio with a private hot tub is surrounded by natural beauty, while a heated boot room with custom built-ins keeps ski days simple and organized. This home has been lovingly maintained, with freshly repainted exterior, deck, and railings giving it a like-new glow. Located beside 400 acres recently acquired by Windham Mountain Club for future expansion, it also offers incredible long-term potential for appreciation and lifestyle value. Whether you're dreaming of a luxurious weekend retreat, a high-end rental, or a full-time mountain escape, this property delivers it all luxury, nature, skiing, and serenity all within easy reach of NYC.
