Description

Welcome to this sophisticated 2-bedroom, 2-bath condominium in the stylish Woodward Manor complex. It is conveniently located just moments from all the excitement of Main Street in North Alhambra. This light-filled, top-floor unit is ideally set within the complex, with a great flow throughout and an open-concept floorplan. Beautiful new flooring throughout much of the home adds warmth and character, creating an inviting atmosphere. The bright and airy living room opens directly to the spacious dining area. The kitchen features granite countertops, stainless-steel appliances (including a new oven, dishwasher and microwave) as well as a spacious pantry. Down the hall, the primary suite features a dressing area with built-in cabinetry, a large closet, and an en-suite bathroom. It also features a balcony with wonderful city and treetop views. The second good sized bedroom also offers great views. Off the main hallway there is a three-quarter bathroom and a laundry area with a side-by-side washer and dryer, also included in the sale. The complex features a large recreation room off the lovely courtyard. This wonderful unit is open to all buyers; however, at least one occupant (occupant can be an owner, a roommate or a tenant) must be 62 years of age or older. Just moments from a variety of shopping and dining, this home has it all. Welcome home!
