## Description

Perched high above Candlewood Lake, this extraordinary custom-built residence was crafted by a six-time HOBBI Award-winning builder for himself and embodies the finest craftsmanship with timeless sophistication. Spanning 4,962 sq. ft., the home blends classic Southern Fairfield County architectural details with breathtaking four-season mountain and Candlewood Lake views. Inside, rich character-grade white oak floors, intricate millwork, and Kingswood custom cabinetry showcase masterful design at every turn. The chef's kitchen features quartz counters, Thermador and Bosch appliances, a spacious walk-in pantry, and a dining area overlooking the expansive 20+ mile views. The gorgeous dining room has custom wainscoting and a coffered ceiling and the elegant family room featuring a propane stone fireplace, coffered ceiling, and wired sound system. You'll also find five spacious bedrooms and five and a half baths, including a serene primary suite with a luxurious full bath featuring heated marble floors, a freestanding soaking tub, a California Closet, and a private panoramic view of the lake. The walkout LL includes a kitchenette, custom bar room for entertaining, and a media room with access to an expansive stone patio with a built-in fire pit, perfect for entertaining against the backdrop of endless sunrises and sunsets. Smart-home systems, a heated 3-car garage, irrigation, professional landscaping, and custom finishes this is luxury redefined.
