Description

Why Rent When You Can Own with Just 10% Down? Consider this move-in-ready 2-bedroom, 1-bath co-op perfectly situated in the heart of Flatbush. Step into a bright, open-concept layout where the pass-through kitchen seamlessly connects to the spacious living area—ideal for entertaining or relaxed everyday living. Both bedrooms comfortably fit Queen-sized beds, offering flexibility for sleeping, work, or guest space. The apartment features original hardwood floors, ceiling fans, and ample storage with four closets. The recently updated kitchen shines with butcher block countertops, a farmhouse sink, modern appliances, including a dishwasher and washer/dryer combo unit—a rare find in co-op living. Nestled in a well-maintained six-story elevator building with secure key-fob entry and an on-site superintendent, this home combines comfort, convenience, and value. The building is pet-friendly (cats and dogs up to 40 lbs) and permits subletting with board approval. Transportation is effortless: the 2 and 5 trains at Newkirk Avenue are just one block away, with the B8 bus and Newkirk Plaza (B/Q trains) nearby for even more options. You'll be minutes from Flatbush Junction, Brooklyn College, Target, HomeGoods, Dallas BBQ, and an abundance of shops, restaurants, and grocery stores along Flatbush and Nostrand Avenues. Don't miss this opportunity to own a beautifully updated Flatbush co-op in one of Brooklyn's most vibrant and connected neighborhoods.
