Description

Nestled on 8.48 acres of natural beauty, this exquisite estate offers ultimate privacy and serenity, surrounded by mature trees and granite boulders. Tucked away at the end of a rock-lined private drive and secured by two sets of double wrought iron gates, this property is a true sanctuary. A grand heated circular driveway welcomes you and your guests to one of the most refined and impressive residences in Ogden's mountain foothills. The timeless exterior showcases classic granite and a tile roof, complemented by expansive windows that frame panoramic 360-degree views of the surrounding mountains, valley, lake, and local wildlife. What you won't see are neighbors - no other rooftops in sight. Step inside to discover a breathtaking interior with soaring ceilings, refined moldings, and expansive open living spaces designed for both large-scale entertaining and intimate, everyday living. At the heart of the home, an elegant circular staircase encased in windows serves as a stunning architectural focal point. This property also features a casita, perfect for a getaway or for guests. Whether hosting grand gatherings or enjoying quiet moments, this exceptional estate offers the perfect balance of grandeur and warmth. Own a truly rare and remarkable property with deep roots in Utah's legacy.
