Description

Situated in the heart of Adams Village with approximately 2,100 square feet of living space across four levels, this three-plus bedroom, three and a half-bathroom townhome offers an impressive array of features. The open-concept layout seamlessly integrates the living, dining, and kitchen areas, creating an inviting and versatile space. The primary suite boasts a walk-in closet with custom shelving, plus a skylit en-suite bathroom with dual vanity, soaking tub and separate shower. The finished basement adds additional living space and flexibility, with a built-in entertainment center, bonus room and additional full bathroom. Stainless steel appliances, Nest thermostat, and a whole-house vacuum system contribute to the home's modern amenities, while the two-car parking and private outdoor space provide convenience and enjoyment. The village center location boasts quick access to both Ashmont Station and the highway, in the center of one of Boston's most desirable walkable neighborhoods.
