## Description

Welcome to your Greenfield brick dream home! This 3-bed, 1.5-bath charmer (1,374 sq ft) hits the perfect balance of character and comfort. The cozy front porch is made for morning coffee or sunset hangs. Inside, the living room features classic crown molding and flows into a spacious dining room that's perfect for dinner parties or game nights. The kitchen has everything you need-gas stove, fridge, breakfast bar, and a door that opens to the partially covered back deck for easy entertaining. The primary bedroom and bonus office space are on the second floor, while two more bedrooms on the third floor give everyone their own zone. The full basement adds a half bath and tons of storage space. Outside, enjoy the oversized double lot with the deck, a firepit, shed, and detached garage with a workshop-ideal for creatives or DIYers. The roof is brand new and the chimney has a new cap and liner! Walkable, welcoming, and full of charm-this is the Greenfield home you've been waiting for!
