Description

Now offering $10,000 in closing costs and $10,000 in use-as-you-choose upgrades Welcome to the Madeline by Onsite Homes. This home offers nearly 2,500 sq. ft. of comfortable living with 4 bedrooms, 3 full baths, and a spacious rec room above the garage. The first floor showcases an open-concept living space that blends the kitchen, breakfast nook, and living room. The kitchen features stainless steel appliances, granite countertops, a tile backsplash, and a large island with seating. The living room is bright and inviting, with multiple 6-over-6 windows that flood the space with natural light. A fireplace framed by a custom granite hearth creates the perfect focal point. The primary suite and two additional bedrooms complete the main floor. Upstairs, you'll find a private guest bedroom, full bath, and a large rec room offering endless possibilities. A three-car garage adds extra storage and convenience. Situated on a quiet dead-end street with mostly undeveloped lots, this home offers privacy and space. Unlike most homes in Woodlake, it also benefits from being on municipal sewer. Onsite Homes, with over a decade of building experience, has crafted this residence with quality and detail in mind. Located in the gated Woodlake community, now home to the newly opened Woodlake Country Club and the restoration of the lake, this home offers the perfect blend of craftsmanship, amenities, and an exciting future.
