Description

Where History Meets Opportunity - Discover the Charm of Oldenburg Oldenburg, a 1922 heritage gem in the heart of Swellendam, blends timeless charm with endless possibilities. With entrances from Voortrek and Jansen Streets, this iconic property is full of character and potential. Set on a generous 3,216m² erf, Oldenburg combines timeless charm with exciting development potential, including options for subdivision or expansion. The main residence exudes warmth and elegance, featuring high pressed metal ceilings, a Victorian fireplace, wooden windows with shutters, and a wrap-around veranda — perfect for relaxing afternoons or easy entertaining. A covered entertainment area with a built-in braai invites gatherings under the trees. In addition to the main home, there are two income-generating flats, plus a single garage with a loft room. The established garden, mature trees, and secure fencing complete the picture — a rare find where old-world charm meets opportunity in one of Swellendam's most sought-after locations.
