Description

This home has ample space and modern design inside and out. From the open-concept layout to the abundance of storage; with 5 true bedrooms, plus a flex room and 3 full bathrooms, this home is packed with functionality! Don't forget oversized 4 CAR GARAGE AND 30x40 SHOP. Every detail has been designed with convenience and efficiency in mind. Upon entry, you are in the heart of the home showcasing wood look tile, tall ceilings, modern fireplace and beautiful green belt view of the back yard. The kitchen boast ample counter space, floor-to-ceiling cabinets, large pantry and built in professional appliances. Perfect for entertaining or just keeping everyone connected with open access to the dining room and living area. The owner's suite is tucked away for privacy and includes a soaking tub, walk-in shower, and a huge closet with direct access to the utility room — talk about convenience! With 4 guest bedrooms, three full baths, and a flex room that can be used for a variety of uses, there's room for everyone and everything. Step outside to the covered patio and enjoy your wide-open backyard, or take advantage of the 30x40 shop — perfect for hobbies, extra storage, or your next big project.
