Description

1.6+- ACRES! Discover comfort & style in this beautifully appointed 5-bedroom, 3-bath ranch-style brick home, nestled in the vibrant community of St. Paul. Functionally designed, this property offers a versatile layout ideal for modern living, complete with an oversized, pull thru 2-car+ garage, a picture perfect 2 story red barn (20x20 and 20x20 lean to) and a storage shed! As you step inside, you'll be greeted by the rich warmth of wood floors (from a 1920s Ft Hood gymnasium) that flow seamlessly through the main living areas, accentuating the home's charming character. The expansive living room is a perfect canvas for hosting gatherings or simply unwinding in a tranquil setting. In the back of the home you'll find a game or play room with HUGE closets & an exterior entrance, creating an ideal space for entertainment and leisure. Whether it's board games, billiards, toys or movies this room accommodates it all. The well-designed kitchen, featuring ample cabinetry, quartz counters & a double oven, caters to culinary enthusiasts & families alike. Directly adjacent to the kitchen, a cozy dining area provides a picturesque setting for meals, with views of the lush backyard. With 2 primary suites (both ensuite), there is so much versatility. And 3 secondary bedrooms means there's room for everyone. Step outside to enjoy a spacious backyard, ideal for outdoor entertaining, gardening, or quiet weekends in the fresh air. The all-brick exterior ensures durability and classic curb appeal, while the convenient location offers easy access to local amenities such as award winning schools, playgrounds, parks, shopping & dining. This impeccable home perfectly combines form and function, offering a serene sanctuary with enough space for all your lifestyle needs. Experience the best of Wylie and St. Paul living in this impressive residence designed for comfort, enjoyment and wide open spaces. New HVAC in Feb 2026.
