## Description

Priced below appraisal! Calling all cash investors, builders or visionaries ready to restore this Craftsman Style Riverside classic! Situated on a huge lot with alleys on both sides—a rare find in this area—this 1915 historic home offers incredible potential for renovation, restoration, expansion or redevelopment. Step inside the grand foyer and be inspired by tall ceilings, original wood floors, a sweeping staircase and three gas fireplaces serving as focal points in separate rooms. Natural light floods the interior through 50+ windows and multiple sun porches on both levels, creating a bright airy feel throughout the day. A full basement and walk-up attic provide even more possibilities for customization or added living space. Ideally located near Five Points, parks, hospitals, and minutes from Downtown Jacksonville, with Park & King's restaurants and shops just steps away. Property is being sold "As Is" and priced accordingly.
