Description

Charming 3 bed, 2 bath home with bonus office/flex room and tons of updates! Inside, you'll find a bright kitchen with white cabinetry, modern backsplash, and newer appliances. The spacious layout includes a large office and playroom. Step outside to your private oasis—enjoy a covered patio perfect for entertaining, covered parking, and even a dedicated woodworking area. But wait—there's more! An adorable fully equipped TINY HOUSE in the backyard that features a functioning kitchen, full bathroom, and a separate upstairs storage loft—perfect for guests, rental income, or home office. The large, fenced yard is ideal for play and pets, complete with mature landscaping and plenty of shade. Solar panels included in this rare find with space, style, and versatility!
