## Description

Set on a private corner lot in Tesoro Crest, this Newport Coast home captures sweeping ocean, Catalina, and Palos Verdes Peninsula views with dazzling city lights stretching beyond downtown Long Beach. The open, light-filled layout features soaring 20+ foot ceilings, spacious living areas, and a designer kitchen with Calacatta gold marble and stainless appliances. A main-level en suite bedroom offers comfort for guests or multigenerational living. Upstairs includes the ocean-view primary suite with private balcony, spa-style bath, and dual closets, plus up to three additional bedrooms or flexible office space with peek city light views. The wrap around yard has fresh turf installed and gives perfect space to entertain, add a plunge pool/spa, and there's even a side yard perfect for a dog run. Did I mention the 3rd Car Garage space? This one will go faster than the Ferrari F8 Spyder in the garage and YES, it can be available too, 'cause everything is negotiable right? Tesoro Crest uniquely offers direct walking access to Newport Coast Elementary and resort-style amenities including pools, tennis, and Coastal Canyon Clubhouse privileges.
