Description

Welcome to resort-style living at 208 Mountain Edge Court in Greenville, SC. Set at the base of Paris Mountain in a private gated enclave, this custom-built home offers a rare combination of privacy, craftsmanship, and everyday ease—just minutes from Downtown Greenville and Travelers Rest. This 5-bedroom, 3.5-bath home features a true chef’s kitchen and a primary bedroom on the main level, making it as functional as it is beautiful. Positioned on over half an acre with unobstructed sunset views of the Blue Ridge Mountains, the setting feels peaceful and secluded while remaining effortlessly connected. Inside, soaring wood-beamed ceilings and an open-concept design create seamless flow between the living, dining, and kitchen spaces. The chef’s kitchen is thoughtfully designed for both daily living and entertaining, anchored by premium Thermador appliances, a walk-in pantry, generous counter space, and warm natural finishes that invite gathering. A screened-in porch right off the living area makes for an amazing year-round entertaining space overlooking Blue Ridge Mountains with breathtaking sunset views. The primary suite on the main level is a private retreat, complete with a spa-like bath featuring a freestanding soaking tub, large walk-in shower, dual vanities, and direct access to a screened porch—perfect for morning coffee or quiet evenings surrounded by nature. The walkout lower level expands the home’s versatility with a spacious game room, home gym, and a hidden speakeasy—ideal for entertaining or unwinding. An additional bedroom and full bath create a comfortable guest or in-law suite, while a fully equipped workshop with built-in shelving keeps hobbies organized. Every bedroom is generously sized, easily accommodating king beds. Outdoors, the resort-inspired experience continues with a saltwater pool featuring a gas heater and retractable cover, multiple lounging areas, and a pergola for shaded entertaining. The low-maintenance backyard blends turf, decking, and hardscaping for effortless indoor-outdoor living. Additional features include RV or boat parking, a side yard with dog run, established landscaping for privacy, dual screened porches, three HVAC units, a 300-amp electrical panel with generator hookup, and a fully fenced yard. A home designed for connection—to people, to nature, and to the simple joy of living beautifully.
