Description

Spacious 3-Bedroom, 2-Bathroom Co-op in Prime Rego Park Location! Welcome to 64-11 99th Street — a beautifully maintained, fully updated co-op building offering modern living in the heart of Rego Park. This oversized 3-bedroom, 2-bathroom apartment boasts an exceptional layout with generous proportions throughout. Step inside to a bright and airy living room with a dedicated dining area and a gigantic eat-in kitchen, perfect for cooking and entertaining. All three bedrooms are large enough to comfortably fit king-sized beds, providing flexibility and comfort for any lifestyle. The primary bedroom features its own private full bathroom, adding a touch of convenience and privacy. The building itself is meticulously kept, featuring a modern lobby, elevator, and on-site laundry facilities. Parking is available on a waitlist basis. Ideally situated near the M and R subway lines, the Q60 bus, and within easy reach of the E and F trains as well as the LIRR, commuting is a breeze. You'll also enjoy close proximity to Grand Central Parkway, the LIE, and the Van Wyck Expressway, making travel in any direction effortless. Surrounded by top-rated schools, shops, restaurants, grocery stores, and main streets, this home offers both comfort and convenience in one of Queens' most desirable neighborhoods. Don't miss this rare opportunity to own a true three-bedroom residence in an unbeatable Rego Park location!
